

Brigham Young University Hawaii

Quick Facts: Fall Semester 2008

Brigham Young University Hawaii (BYUH) is a small, academically challenging university that offers courses leading to the undergraduate degrees of Bachelor of Arts, Bachelor of Science and Bachelor of Social Work.

Representing over 70 countries, our students are fulfilling a phenomenon envisioned by the university's founder, David O. McKay, ninth president of The Church of Jesus Christ of Latter-day Saints. In 1955, standing in an isolated field that would evolve into the beautiful campus of today, McKay declared: *"From this school, I'll tell you, will go men and women whose influence will be felt for good towards the establishment of peace internationally."*
