

QUICK FACTS 2014-15

The mission of Brigham Young University–Hawaii is to integrate both spiritual and secular learning, and to prepare students with character and integrity who can provide leadership in their families, their communities, their chosen fields, and in building the kingdom of God. Representing over 70 countries, BYU–Hawaii students are fulfilling a phenomenon envisioned by David O. McKay, ninth president of The Church of Jesus Christ of Latter-day Saints. In 1955, standing in an isolated field that would evolve into the beautiful campus of today, McKay declared: “From this school, I’ll tell you, will go men and women whose influence will be felt for good towards the establishment of peace internationally.”
